## **SAN FRANCISCO OPERA'S SUMMER SEASON ON CD AND DVD**

Joshua Kosman

Sunday, May 25, 2008

- For Handel's "**Ariodante**" (opening June 15), the best thing to do is to rustle up a copy of Nicholas McGegan's superb 1996 recording from the Göttingen Festival, with the late Lorraine Hunt Lieberson (then simply Lorraine Hunt) giving one of her finest recorded performances in the title role (Harmonia Mundi). Juliana Gondek and Lisa Saffer help fill out a splendid cast.
